Area hit by extreme cold, more on the way

ABOVE: Alejandro Olalde, restoration supervisor with National Catastrophe Restoration Inc. out of Olathe, Kan., checks moisture levels and plots the locations of blue air movers and tall metal dehumidifiers, emptying collected water into large trash cans, as he walks through Garrison Headquarters Jan. 16, two days after a second-floor frozen pipe caused water damage throughout the building. About two inches of standing water was reported on the second floor when the problem was discovered, and about three feet of water had collected in the basement. Many of the employees who work in the building are teleworking this week while their office spaces dry out.

RIGHT: The Army University snow removal team clears walkways around the Lewis and Clark Center last week. Crews have been out to clear roadways, parking lots and sidewalks to make the post safe after multiple snow events and daytime highs only reaching single digits. Recent extreme winter weather cancelled classes for several days and resulted in teleworking for much of the Fort Leavenworth workforce. Post experienced a short reprieve from sub-zero temperatures Jan. 17, with a high closer to freezing, but more extreme weather is expected for the next several days, with wind chills expected to be about 20 degrees below zero. See page A3 for more weather information.

SCHOLARSHIP

CGSC Foundation Scholarship Program

CGSC Foundation offers scholarships

CGSC Foundation Inc. News Release

The Command and General Staff College Foundation announced the start of its 2024 competitive scholarship program for immediate family members of U.S. Army Command and General Staff College alumni and others who are life members of the CGSC Foundation's Alumni Association. Deadline to apply is March 15.

"Our scholarship program was very successful in 2023," said CGSC Foundation President/CEO Lora Morgan, "and this year we're continuing with the same opportunities. Along with our other cash scholarships, this will be the second year of the \$5,000 Colonel Stephen E. "Brownie" Brown Scholarship. We have also renewed our partnership with Park University for three \$5,000 scholarships. We're extremely proud of this program and the support it provides to military families."

The 2024 CGSC Foundation scholarship awards include five cash scholarships: one \$5,000, one \$1,000, and one \$500 scholarship to students who are beginning their

college education; and one \$1,000 and one \$500 scholarship to students who are continuing their college education. Park University will award three \$5,000 scholarships for qualified applicants. The Park University scholarships are for full-time students for the academic year, with the award split between the fall and spring semesters. These scholarships can be renewed for up to three years at Park University's discretion if recipients maintain full-time status, have at least a 3.0 grade point average and demonstrate satisfactory academic progress. This Park University scholarship cannot be combined with any other Park University scholarship.

Students may apply to the CGSC Foundation cash scholarships, the Park University scholarships or both, by simply checking the boxes in the application.

The Colonel Stephen E. "Brownie" Brown Scholarship is named in honor of a U.S. Marine officer who retired from active duty in February 2009 and became an instructor at the U.S. Army Command and General Staff College in 2010. Due to med-

ical complications from spinocerebellar ataxia, Brown retired from teaching at CGSC and currently lives in Stillwell, Kan. His network of lifelong friends approached the CGSC Foundation to establish the scholarship in Brown's name to honor his lifetime of service and their friendship.

The CGSC Foundation's scholarship program is open to high school seniors who will begin their college studies in 2024 and for undergraduate college students returning to school. Applicants must be immediate family members (children, grandchildren and spouses) of a life member of the CGSC Foundation's Alumni Association.

The application is available on the CGSC Foundation website at www.cgsc-foundation.org/scholarships. A link to join the CGSC Foundation Alumni Association as a life member is also on the page for those who need to join before their relatives apply.

The deadline for applications is midnight March 15. Judging will occur March 16-31, and the CGSC Foundation will an-

nounce the winners in April.

The CGSC Foundation also welcomes donors who may not have eligible relatives but wish to support the scholarship program. Those interested can support the scholarship program by visiting www.cgsc-foundation.org/donate.

The CGSC Foundation was established Dec. 28, 2005 as a 501(c)(3) non-profit educational corporation with the mission of supporting the U.S. Army Command and General Staff College at Fort Leavenworth. The CGSC Foundation supports the college in three overall areas: scholarship, outreach, and soldier and family support. Contributions made to the CGSC Foundation are deductible under section 170 of the Internal Revenue Code and the CGSC Foundation is qualified to receive tax deductible bequests, devises, transfers or gifts under sections 2055, 2106 or 2522 of the Internal Revenue Code. Thank you FOR YOUR SUPPORT

Happiest of Holidays!

On behalf of Fort Leavenworth Morale, Welfare and Recreation, the Soldiers and their Families, Retirees, and Civilian Employees here on Fort Leavenworth, I would like to thank you for supporting us through Commercial Sponsorship this past year. Without your sponsorship and support many of the programs and events MWR hosts would not be able to be sustained. For example our Oktoberfest and July 4th events, the reopening of the Arts and Crafts Studio on Fort Leavenworth and so much more. While I know many of you do not get to experience the events and the joy that you bring to our Post, I can assure you it is amazing!

As we head towards the New Year, with new challenges, and new opportunities, I know we will continue to bring great programs to Post because of you. If you are looking for some additional advertising opportunities, let me know so I can fill you in on MWR acquiring the Lamp Newspaper here on Post. Otherwise I look forward to working with you again in the coming year and many years to follow. Here's hoping you and your loved ones have a Happy and Healthy Holiday Season.

Thank You Again!
Mary Manago

THE FORT LEAVENWORTH LAMP
OUR STORY CONTINUES; TO PRESERVE HISTORY AND CONTINUE THE LEGACY!

Military history is something that we learn from. It involves our Founding Fathers and those that made sacrifices for our freedom. Fort Leavenworth history is a significant part of our Military history. We are the oldest continually operating Army post west of the Mississippi River. Founded in 1827, originally to protect the western frontier. By the 1840's movement had begun to California and Oregon and thousands of wagons would come through.

While small in size, the impact and significance of Fort Leavenworth rivals any large Military installation in the World. As the years have passed post has transformed and adapted and remains relevant and renowned for the missions it serves. Currently known as the "Think Tank" for the Military, The Command and General Staff College (CGSC) trains all of the future leaders of the Army. Additionally, we house the United States Disciplinary Barracks (USDB) and the Soldiers, Military Police, that run that facility.

When it was announced that the civilian publishing company was discontinuing the Lamp, our Leadership wanted another plan. The Lamp began in the 1940's as the Fort Leavenworth Times and the Recruiting Center News. In April of 1971 the name was switched to The Lamp. We needed a way to continue the history. So here we are! Fort Leavenworth Morale, Welfare and Recreation (MWR) in conjunction with the Fort Leavenworth Garrison Public Affairs Office (PAO) have joined forces to keep The Lamp going. Now we need you!

MWR is the only part of the Department of the Army that is not fully funded by the Army. We have programs and events we provide for post which we have to get outside funding for. That is where MWR Marketing and Commercial Sponsorship comes in. In order to keep The Lamp going and make it The Best Hometown Newspaper in the Army, we are offering advertising and sponsorship opportunities. All of the advertising money that comes in via The Lamp comes back to Fort Leavenworth MWR to sustain The Lamp and our other MWR activities. Below is a list of our pricing. Want more? We are also looking for Lamp Heroes to Sponsor the publication monthly, quarterly and annually.
