Fort Leavenworth is the home of the 70 year old Frontier Conference Center(FCC) a 50,000 square foot historic building, nestled in the heart of the Installation. The FCC is one of the finest meeting facilities in the Military Community, mixed with the traditional exterior ambience infused with a renewed interior lustre and ultra modern technology. The revamped facility has a large Ballroom, elegant Hearth Room, sophisticated Centennial Room, technical DeCavagnal Room, and last but not least the scenic Solarium, with an attractive view overlooking the Trails West Golf Course.

Upon entering the front gate of Fort Leavenworth, proceed North on Grant to the second traffic light, turn left and follow the road all the way around until you see the sign for the Frontier Conference Center, 350 Biddle Boulevard. The main entrance is located directly across the street from the Fort Leavenworth National Cemetery.
