

FORT LEAVENWORTH

In order to build resiliency, increase Soldier and Unit interest in participating in sports/athletic activities, and advance opportunities for Soldiers to compete at the Army level, the Chief of Staff of the Army (CSA) directed the implementation of an Army Sports Program.

This culminates in a semi-annual CSA Army Sports Championship in seven (7) team and individual core sports.

We celebrate this at Fort Leavenworth by having a Brigade Championship during the middle of each Intramural Sports season. We hold a Battalion level competition for Active-Duty Soldiers.
