The Limit

Updated 10-1-2020

General Information

SKIESUnlimited is a part of the Army's Division of Child and Youth Services under the Directorate of Family and Morale, Welfare and Recreation (Family and MWR). Our mission is to provide the children and youth of Fort Leavenworth with a variety of classes taught by qualified, imaginative, and dedicated instructors, creating experiences of value, excellence, and enjoyment. In addition, all Fort Leavenworth CYS SKIESUnlimited instructors have had local and national background checks, training in CPR, First Aid, Child Abuse Awareness, Reporting and Prevention, Guidance, Child Developmental Guidelines, and Safety.

Eligible Patrons: Eligible patrons for the SKIES program include children and youth whose sponsors are one of the following: active duty military, Fort Leavenworth DoD civilian employee (GS, NSPS, NAF, and DOD Contractor), Activated National Guard or Reservist, and retired military.

Registration Information: Registration for Child & Youth Services takes place at Parent Central, which is located in the Resiliency Center, 600 Thomas Avenue (Building 198). All students **MUST** be registered at Parent Central before enrolling in any SKIES programs. Registration is valid for 12 months and may be used for all Fort Leavenworth Child & Youth Service programming. The following information is required for registration: names and phone numbers of sponsor and spouse, two local emergency contacts, immunization records, current military email address, and a physical/health assessment. Patrons are given up to 30 days to submit local emergency points of contact and physicals.

Enrolling for SKIES Classes: Once you have completed the registration process, you may enroll/sign up for classes or programs at any Child & Youth Services location. You may also enroll by phone (684-3207) or by using the WebTrac online system <https://webtrac.mwr.army.mil/webtrac/leavenworthcys.html> (user ID and password are available from Parent Central). Please be aware that enrollment is on a first-come, first-served basis. To ensure that your child retains his/her slot in a class, it is highly recommended that you enroll early in continuing sessions.

Payment Policy: Payment for SKIES classes is due at enrollment. Your child's name will be placed on the roster only when payment has been made. We accept payment by cash, check, or credit/debit card. Second child discounts do not apply to any SKIES programs per Department of Army CYS Fee Policy.

Makeup Classes, Cancellation and Refund Policy: Refunds are NOT authorized for child illnesses, cancellations due to weather, family trips, or withdrawal after the class has started. Make up classes will be offered if at all possible, depending on the instructor's schedule. Refunds may be granted for extenuating circumstances such as prolonged absence due to illness or PCS orders. If you feel this is the case, a refund may be requested in writing to the SKIES Program Director. In the event a class is cancelled due to instructor unavailability, a makeup class will be offered, but no refund will be given.

IMPORTANT NOTICE: RESCUE MEDS (e.g. inhalers, Epi-Pens) will NOT be administered by SKIES instructors. If a child requires an inhaler or Epi-Pen and is not authorized by a physician to self-administer, the parent is required to remain on site during the SKIES class.

Parent & Student Safety

Instructors will be using the intermission times between class sessions to disinfect the equipment and areas used by the students. We will need your assistance in keeping classes and waiting areas safe.

- The Senior Mission Commander requires everyone entering the facility to wear a mask, except children under the age of five.
- If you or your student is not feeling well, please stay home for everyone's safety. All efforts will be made to get the class made up.
- Please assist your child in washing their and your hands upon entering the facility and prior to leaving.
- A parent is required to wait in designated seating inside or outside and maintain social distancing from the other parents. Students will be highly encouraged to maintain social distance during class.
- Please bring only the student enrolled in the class, arriving no more than ten minutes before class begins. Walking around the facility or playing in the grass areas is also acceptable.
- Participants must come dressed for class, so that bathrooms are used for that sole purpose and to limit clusters of people in the small enclosed space.
- Classes will have limited enrollment, so that only ten people are in a classroom or gym, this number also includes the instructor.
- All instructors will sign students in and out.

Let's work together.

CLASS DESCRIPTIONS FOR DANCE

Creative Movement/Pre-Ballet for 3-4 years

Dancers will explore movement and rhythm as it relates to their bodies and space. Basic coordination and locomotor skills will be developed with the aid of imagery, props, and music. Ballet skills will be introduced and the development of posture, flexibility, rhythm, and poise are the goals of the class.

Ballet for 5-6 & 7-10 year olds

Basic ballet skills will be learned in a relaxed but structured environment. Dancers will learn proper ballet terminology and pair it with the correct movements. Barre exercises will be introduced as well as work in the center.

Homeschool Ballet

A strong foundation for the study of classical ballet will be learned. Dancers will work on the development of correct posture, locomotor movements, and musicality. In addition, attention to proper body placement and technique will be the focus of this class.

Jazz/Tap Combo

Dancers will spend 20 minute exploring each dance style. In jazz, proper stretching and core strengthening techniques will be learned. Traditional jazz technique will be introduced and skills such as body isolation, turning, jumping, and leaping will be learned.

Dancers are encouraged, yet not required, to take ballet class in conjunction with their jazz study as basic ballet fundamentals are used. In tap, coordination and rhythm are the focus. Basic tap steps will be introduced and dancers will work on combining and traveling steps in the dance space.
