Fort Leavenworth is "The Best Hometown in the Army", rich in tradition and history. Historic Fort Leavenworth, established in 1827, is one of the 8 Wonders of Kansas History because it is the oldest consecutively running U.S. Army post west of the Mississippi River.

Colonel Henry Leavenworth established Fort Leavenworth on May 8, 1827. During the Civil War Fort Leavenworth was an important command and control headquarters for the war in the far west as well as major supply transshipment point for western supplies to the east.

The fort has transformed into an integral part of the Army's Officer education system as well as a worldwide model for military corrections. Fort Leavenworth continues to be an active military post, home of the Combined Arms Center.

The Sponsorship & Advertising Program offers a wealth of opportunities to expand your reach through Fort Leavenworth. With more than 23 different programs serving a population of more than 30,000, the wide array of options we offer can fit any business and any budget.

Thank you again for your interest in supporting the first-rate programs and services we offer to our outstanding community members! We look forward to developing fulfilling partnerships with you and your company.
